Product data sheet

Power tools for trade & industry

Measuring Rod

GR 500

For all measurements of floor heights

The most important data

Length	5 m
Sections	5
Units of measurement	m/cm

Part Number 0 601 094 300

Technical data

Technical data

Length	5 m
Sections	5
Units of measurement	m/cm
Material	Aluminium

Advantages:

- Robust, high-quality aluminium profile
- Extendible up to 5 m
- For use even under extreme conditions
