Product data sheet

Power tools for trade & industry

Angle Grinder

GWS 700

Quality made Affordable

The most important data

Rated input power	710 W
No-load speed	12,000 – 12,000 rpm
Disc diameter	115 mm

Order number 0 601 3A3 0L0

Technical data

Additional data

Rated input power	710 W
No-load speed	12,000 – 12,000 rpm
Disc diameter	115 mm
Voltage, electrical	0 V
Grinding spindle thread	M14
Weight	1.7 kg
Switch	Lockable Switch

Advantages:

- Reliable performance with BOSCH quality
- Outstanding overload capacity fit for tough jobs
- Compact and slim design for easy handling
